

LANDNET workshop 2018, Tallinn, Estonia

During the last day of the workshop, a session on relevant networks and events for LANDNET was held, as well as a workshop wrap up session on conclusions and possible future cooperation.

The proceedings from the workshop are available at the [FAO LANDNET workshop website](#).

Photos from the event are available at the [LANDNET Facebook page](#) and on [here](#).

Save the dates for the next LANDNET workshop in Santiago de Compostela, Galicia, Spain

We are pleased to announce that the **12th international LANDNET workshop** will be held from **5 to 8 November 2019** in Santiago de Compostela, Galicia, Spain. **Please save the dates!**

AGADER, the Agency for Rural Development of the Xunta de Galicia will be organizing a conference on rural development and tourism and it has been decided to integrate the next LANDNET workshop into the conference. The overall theme of the LANDNET track of the conference will be instruments to combat land abandonment.

The 2019 workshop will be organized jointly by AGADER, FAO and FIG (International Federation of Surveyors) Commission 8 (Spatial Planning and Development).

The conference – **“On the Way to the Rural World” International conference on rural development and tourism**, is divided in four parallel session modules:

1. Land management – challenges and opportunities (LandNet workshop)
2. Tourism – A gateway to the rural world
3. Trade 4.0 - from the land to the world
4. Women leadership in the rural world

AGADER is working on establishing a conference website. In the meantime if you have any questions, please, contact Richard Eberlin at

richard.eberlin@bird.org.es.
